## Portfolio description

Integrity diligently follows a **value investment philosophy and process**.

The primary objective of the portfolio is to achieve long term capital appreciation by investing in a diversified portfolio of **South African listed equities**. The portfolio manager acquires local equities at levels below the assessment of the companies' fair values. The portfolio manager also takes cognisance of worldwide economic, sector and investment trends to tilt the portfolio towards attractive sectors and companies. A minimum of 80% of the portfolio will be invested in equities and the portfolio is therefore suitable for investors with an investment horizon of five years or longer.
